

Full Time Photographer

THIS POSITION IS BASED IN MANHASSET, NY.

As Photographer for the Town of North Hempstead, the applicant would be responsible for documenting and highlighting Town events attended by the Supervisor, six council members, Town Clerk and Receiver of Taxes with still images. Knowledge of videography is also needed. Specific functions include producing professional-quality photos, cataloguing and disseminating photos to the Town's Communications Department and Town Board, and offering creative input and content for the creation of new media products and publications in support of the Town's media relations and public outreach mission. Work would also include responding to all photography-related requests such as shooting, distributing, printing and archiving of images and recording names and contact information of subjects. Photography equipment is provided by the Town.

Experience:

QUALIFICATIONS REQUIRED:

Applicant must have at least five years' experience preferably working in a governmental environment. Ability to plan, prioritize, and carry out multiple assignments; meet tight deadlines; and work cooperatively in a team environment with minimal supervision. Must be willing to work evenings and weekends and adhere to fast turnaround times. Applicant must have working knowledge of Adobe Photoshop and be able to make good judgement in editing photos in a favorable manner. Applicant must have a current driver's license and be able to travel. A Town vehicle is provided.

Please Note:

This will be a provisional position until Civil Service approves the candidate for permanent status. To qualify for this position the Applicant **must be a Nassau County Resident and be prepared to take the Photographic Specialist Civil Service Exam once given.**
